

ASHISH MAURYA

WEB DEVELOPER

I got into development because computers have always fascinated me `int i = 10;` creates an integer of value 10? LIKE, WOW! But seriously, just seeing code getting converted to things we use regularly, like Facebook or Amazon, was no less than magic to me and that's where my quest to invent began.

SKILLS

- JavaScript
 - React JS
 - Node JS
 - MongoDB, MySQL
-

EDUCATION

HIGHER SECONDARY SCHOOL

S.K Somaiya Junior College of Sciece, Commerce & Arts
2019 - 2021
